2015 ACTIVITY OVERVIEW

Members of Safe Kids Portland Metro Coalition participated in hundreds of health and safety events in 2015. Our goal: raise awareness about childhood injuries and provide injury prevention educational opportunities for thousands of families in the metro area. The coalition focused on the following activities to address leading and emerging injury trends in children:

- Car Seat Check Up events (including car seat distributions)
- Bike Safety & Helmet Distribution Programs
- Water Safety & Life Jacket Programs
- Concussion & Head Injury Prevention
- Safe Driving Programs
- Fire Prevention Programs
- Window Fall Prevention - Stop at 4 Campaign
- Safe Sleep (suffocation prevention)
